Songwriting & Music Ministry Inner Circle: You'll learn how to... write powerful lyrics, memorable melodies, worship songs, get the attention of major music publishers, make music demos at home, about the value of co-writing, about copyrights and performance rights organization. You will also learn how to...get started in the music ministry, make a great record on a not-so-great budget, set up your ministry office at home, take care of your singing and speaking voice, use the internet to promote and enhance your ministry, build your ministry from the ground up, and MUCH more!

LOCATION: Event to be held in West Georgia

*****Each Registrant Responsible For Their Own Lodging*****
